

Heavy-Duty Industrial Crane Air Conditioners that Defy Extremes!

Comfort & Reliable Cooling for
Electrical Cabinets | E-Rooms | Operator Cabins

ATMOS Industrial Cooling Solutions

ATMOS is a heavy-duty crane air conditioner brand by Kabu Projects, designed to perform in extreme and challenging industrial environments.

Built with advanced engineering and world-class quality components, ATMOS ensures reliable cooling for crane cabins, electrical panels, e-rooms and control rooms in steel plants, ports, and manufacturing industries.

Our solutions are designed for:

- High-temperature environments
- High dust and vibration environment
- Continuous industrial operations
- Low maintenance and long service life

ATMOS products help industries improve equipment reliability, operator comfort, and operational efficiency.

What Sets Us Apart

Product Range

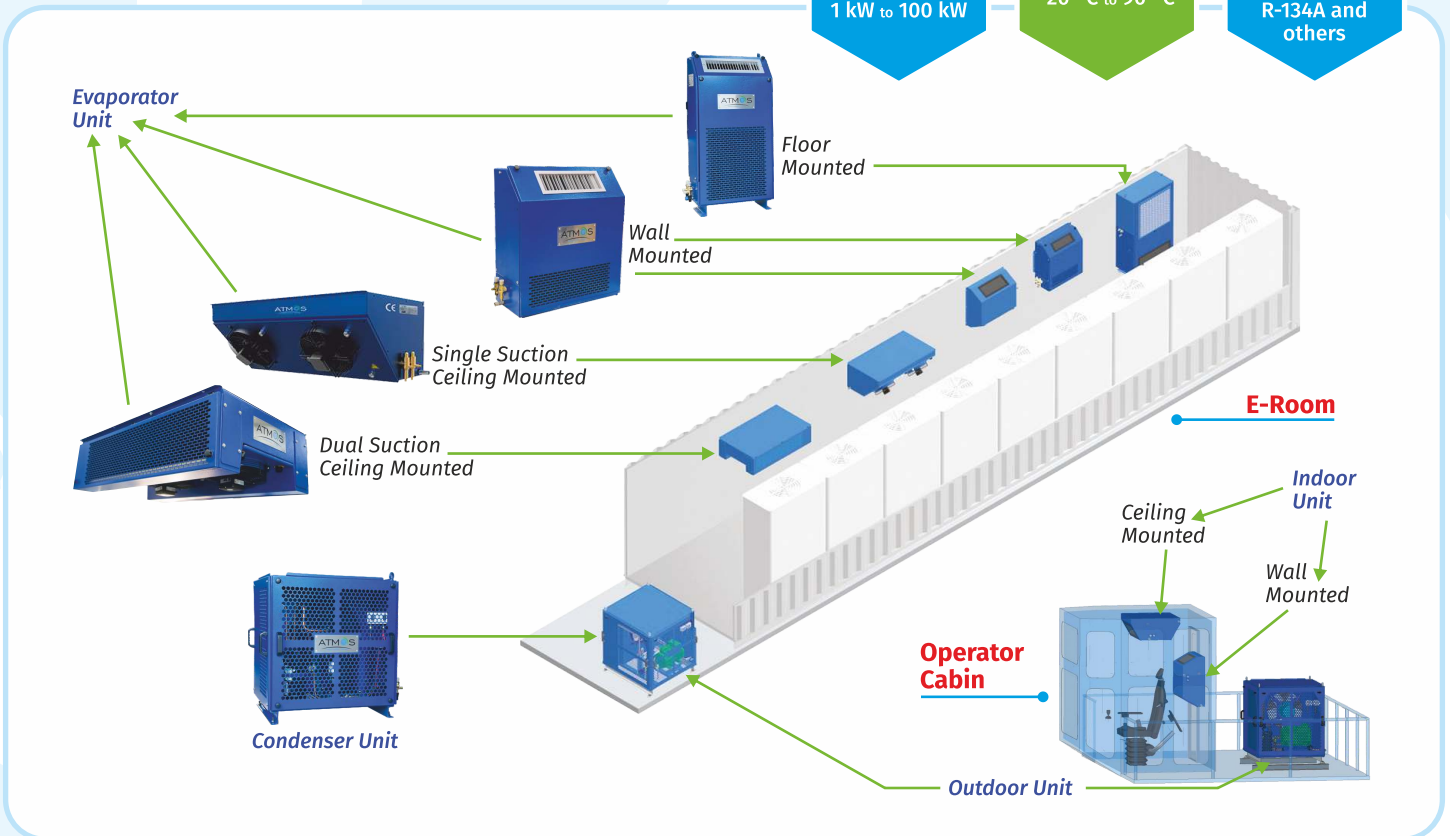

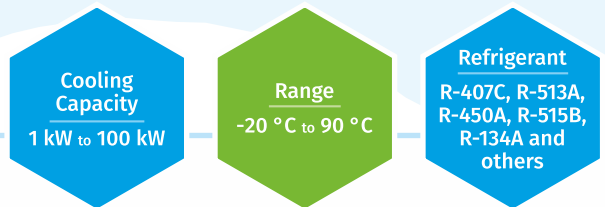

Crane Air Conditioners

- Split Type
- Compact Type
